Additional Questions 1.12.18

is there a page limit to the respondents' proposals? If so, how should the proposal be organized?
I don't believe there is a page limit to the response. I will not be giving direction on how to
organize proposals.

could you please advise on make, model and storage capacity of plaza servers currently
installed? Primary and backup server - HP ML350 G6 capacity 2 TB. Our current database size
is 30GB
