

## **GASPARILLA ISLAND BRIDGE AUTHORITY TRUCK SCALE POLICY**

The Gasparilla Island Bridge Authority truck scale lane hours of operation are Monday-Friday from 5:45 am to 5:45 pm. Trucks requiring weight verification (3 or more axles) arriving outside of the posted hours will be turned around. The weight policy has been in effect for many years and is strictly enforced.

For weekend travel when the GIBA truck scale is closed, the following options are available for commercial vehicles:

1. Send a two axle vehicle (does not require a weigh ticket); or
2. Send a vehicle with three or more axles with a same day weigh ticket from a Florida certified weigh scale showing the gross vehicle weight does not exceed the GIBA weight limit.

**Note: Vehicles coming off island loaded will be required to make previous arrangements with GIBA staff.**

This policy is also posted on the GIBA website at [www.giba.us](http://www.giba.us).

If you have any questions you can contact the GIBA administration staff Monday – Friday from 8:00 am to 4:00 pm
